FLORIDA TRANSPORTATION FAST FACTS

123,488 centerline miles of public roads [10]

12,136 centerline miles of State Highway System [11]

4,350 centerline miles of Strategic Intermodal System [13]

312.8 M daily vehicle miles traveled on the State Highway System [12]

83.5% of pavement conditions on Florida's State Highway System exceeding FDOT standards [28]

2% of State Highway System centerline miles heavily congested during peak hour [29]

21.5 M Florida's population [19]

79.3 M visitors to Florida [35]

17.7 M licensed drivers [20]

18 M registered motor vehicles [31]

$1.1 T Florida's gross domestic product [18]

53,625 square miles of land [34]

8 active launch sites [1]

31 space launches in Florida [2]

9.7 M annual cruise passenger movements [4]

15 deep water seaports [5]

20 commercial airports [14]

43.1 M annual aircraft passenger boardings [3]

84.3% of aircraft trips depart on time [26]

15,614 serious injuries [17]

3,332 fatalities [16]

7,079 bridges maintained by FDOT [9]

94.3% of bridges maintained by FDOT with a National Bridge inventory rating of 6 or higher [27]

7,487 miles of bicycle facilities on non-freeway State Highway System [21]

75.7% of non-freeway State Highway System with bicycle facilities [23]

3,523 miles of pedestrian facilities on urban non-freeway State Highway System [22]

68.8% of urban non-freeway State Highway System with pedestrian facilities [24]

60.3% of Florida's population within a half-mile of fixed route transit [8]

17 rural transit systems [32]

**30** urban transit systems [33]

155.8 M annual transit passenger trips [7]

4.3 M annual rail passengers (Tri-Rail, Amtrak, SunRail) [6]

2,746 miles of mainline railroad track [25]

323,011 electric vehicle registrations in Florida as of September 2021 [15]

2,352 public electric vehicle charging stations in Florida [30]

From data obtained as of June 30, 2021
